

ROMAN SQUARE /RAIL FENCE VARIATION

Fabric:

2.5 x 6.5 colored rectangles 72 (6 x 6) 84 (6 x 7)
2/3 yd light background (or scraps to equal 2/3 yard) cut into (36) (42) 6.5 x 2.5 rectangles.

Cut 3, 6.5" wide strips

Sub cut into 2.5" by 6.5" rectangles (16 per strip)

This guarantees that all the light strips have been cut on the straight of grain and they will help stabilize the cross cut grain of the colored rectangles.

Assembly:

Production line piece a 2.5 x 6.5 colored strip to one side of half of the light strips.

Cut apart and press toward the dark strip.

Add a colored strip to the opposite side of the light strips as above.

Cut apart and press toward the dark strip.

Assemble in Rows. Press the joining seam of odd numbered rows in one direction, the even numbered in the opposite direction.

Join the Rows. Seams will 'snuggle' . Press.

Add a border if desired. Borders are not included in the kit. Kits will be either 6 x 6 or 6 x 7.

Size will be noted on your kit.

Feel free to make fabric substitutions to the kit.
