

Sariditty Supply Lists

Wednesday 1/28/2026 – Threaducation Class

- Kit fees: \$40 includes 5 thread spools + 5 machine needles various sizes (payable to Sarah at the class)
- Sewing Machine with both straight stitch foot and free motion foot
- 2-3 empty bobbins
- marking pen/pencil
- straight edge (if you prefer crisp lines, otherwise hand drawn is fine)
- WHITE or pale solid FQ fabric sandwiches (fabric/batting/fabric). I suggest at least 2, but some folks may want 3-4 total. NO Printed fabric.

Thursday 1/29/2026 – Rainbow Quilt Color Method “Kaboom” Quilt Class

- Kit fees: \$30 includes my book (If anyone orders from my shop ahead of time, I'll include a few extra goodies with it...if they purchase it elsewhere, then that's fine too.) Per publisher contract, each attendee must own the book and have it with them as proof. I will also prepare 4 pre-printed foundation paper templates for each person.

***If anyone wants to purchase the entire foundation paper pack already printed, have them email me directly by January 20 (sariditty@gmail.com).*

- Sewing machine with clear view/easy view foot
- 50wt or 60wt thread
- fabric for their quilt (quantity is determined on how they'll lay it out...I'll provide each person a blank coloring page so they can plan their layout) – Fat Quarter Bundle + 1.5 yd background is a good starting point.
- cutting mat
- rotary cutter
- add-a-quarter ruler
- straight pins
- washable glue stick (I'm cheap and use Elmer's)
- 1pc cardstock (like an index card or similar weight)
- fabric marking pen/pencil
- *lightbox (I'm hoping a few people have one to bring. It's not the end of the world if no one does, just helps the FPP process exponentially)
- couple sheets of blank paper OR a sheet of mylar template material plus scissors ok to use on these
