

## **Angie Lamoree - 5 Little Monkeys- November 18-19, 2026**

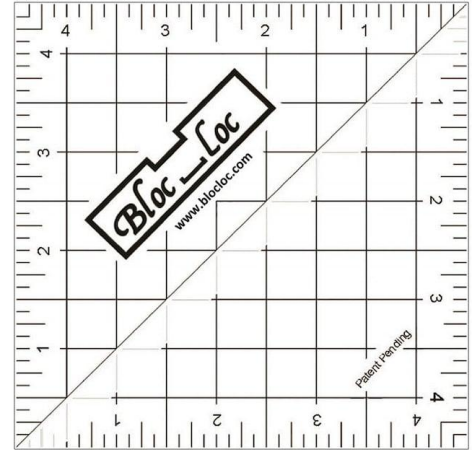

***SSPM will be providing the rulers & patterns.  
Register & get the supply list at [seasidepiecemakers.com](http://seasidepiecemakers.com)***

### **Wednesday, November 18, 2026 (1-4pm)**

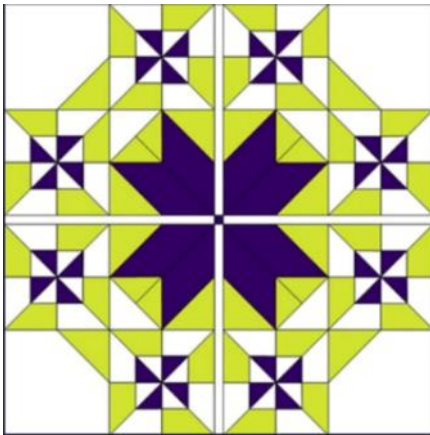

#### **“Bloc Loc Half Square Triangle” Workshop**

Learn to use the Bloc Loc Half Square Triangle Ruler. This ruler is designed to make squaring up half square triangles easy and precise. It features a channel on the back that fits over the seam preventing the ruler from shifting, allowing you to trim accurately.

*This workshop can be taken just as the ½ day class to learn to use the ruler **OR** it can be joined with Thursday’s Hall of Mirrors workshop. If taking the Thursday workshop, you will make your HST’s in preparation for the all day class.*

### **Thursday, November 19, 2026 (9am-4pm)**

#### **“Hall of Mirrors” Workshop**

Using the Bloc Loc Half Square Triangle Ruler, students will make at least one quarter of the block during the class. If you make this a 1.5 day class, you may finish more. The block finishes at 25”.

## **Bloc Loc Half Square Triangle & Hall of Mirrors Supply List**

- Hall of Mirrors pattern (SSPM will provide)
- 1 ¼ yd white
- 5/8 yd navy
