#### Class Supply List:

☒ Appliqué Needles – Size 9 or 10. I use Clover Black Gold, Size 9. If you prefer, a longer Milliner’s Needle is okay.

☒ FABRIC Glue Stick (water soluble) with NARROW tip. Sewline or

Fons & Porter both have great glue sticks. To clarify, these are also called glue pens. Here’s a picture of my glue stick/pen:

It’s easier if the glue is a color and not white.

Note: We’ll learn to “thread baste” and to “glue baste” the fabric to the EPP shapes.

☒ Thread Conditioner. Thread Magic or Thread Heaven are good.

☒ Small scissors or thread snips

☒ Needle Threader (optional)

☒ Thimble (optional)

☒ Seam Ripper (but you probably won’t use it ☒ )

☒ Portable Task Light (optional)
