

RANDOM SCRAP QUILT - BLOCK PARTY

A Donna Poster Pattern (Block Party)
Speed Cut Quilts

This a beginner level random scrap quilt. There are no seams to match when assembling the block and only a few when joining the blocks.

Block layout is up to you. Blocks may be turned in any direction and joined. Whatever looks good to you is the correct way. Don't "over-plan". If you have darks, mediums and lights nearly anything goes. Color value is more important than pattern or color. Use what you have and don't agonize over what piece should go where. **JUST DO IT!!** You'll be amazed at how good it looks.

Quilt Size	Block Lay out	A 4.5 sq	B 2.5 x 6.5	C 2.5 x 4.5

Border fabric is not included in this kit. If you would like to add a border Community Service will be happy to have you choose fabric from our 'stash' or you may use fabric from your own collection. Fee free to make fabric substitutions to this kit.

All sizes are without borders.

FOR EACH 12 1/2" UNFINISHED BLOCK YOU WILL NEED:

- Piece A - 5 - 4.5" squares
- Piece B 2 - 2.5" x 6.5" rectangles
- Piece C 5 - 2.5 x 4.5" rectangles

This is an easy quilt to 'production line' assemble. Make all the A-C blocks and press toward the C. Join 3 A-C units for side 1. 'Production line' the AC-B blocks for Side 2. Press toward the B. (Note the two different construction layouts for the AC-B blocks.) Join the two units to make side 2. Press. Join the long center seam of the block. Press. Square blocks if necessary.

Join the blocks into rows pressing odd numbered rows in one direction, even numbered in the opposite direction. Join the rows and press. Add a border(s) if desired.
